## Retake Charges

For students enrolled in an allied health modular program, retakes are \$200 externships, clinicals, and all other courses. Retakes in the Surgical Technology program are \$750.00 per module. Students enrolled in an Associate of Science or Bachelor of Science program will be charged per semester based upon the scheduled credit load, which will include all re-takes of coursework. Students will be charged for all retakes that are listed on their transcript. Retake fees must be paid in full prior to the first day of class if they cannot be covered with TIV funds, with the exception of Massage Therapy program. In the Massage Therapy program, retakes cannot be covered using TIV funds. Students may only repeat the same course or module one time within each program of study, unless otherwise outlined in the College Catalog or program handbook.
