

MASTER OF SCIENCE IN NURSING – NURSING EDUCATION

ADMISSION REQUIREMENTS

The program is designed for registered nurses who hold a bachelor's degree and who wish to earn a Master of Science in Nursing degree. To be considered for admission applicants must have the following:

1. Baccalaureate degree from a postsecondary educational institution accredited by an agency recognized by the United States Department of Education, or an equivalent degree from a comparable foreign institution
 1. Evidence, in the form of official transcripts, of conferral of bachelor's degree; or
 2. For international students, an official transcript translation and evaluation from a member of the Association of International Credentials Evaluators (AICE) or the National Association of Credential Evaluation Services (NACES)
2. Current registered nurse license in good standing from any state, territory, or district in the United States. This requirement does not apply to international students.

TRANSFER CREDIT

Residency Requirement: No more than 9 of the 36 credits required for the Master of Science in Nursing can be met through transfer credit.
