BENEFITS OF A MEDICAL ASSISTANT EDUCATION AT BROOKLINE COLLEGE

• Shorter, more concentrated program: Complete your program in just under nine months (34 weeks).
• Classroom and hands-on learning: In addition to traditional classroom instruction, you get hands-on learning in lab classes so you can practice your skills.
• Outstanding healthcare foundation: Your well-rounded education includes patient interaction, basic billing and coding, electronic medical records, clinical practices, pharmacology and more.

WHERE BROOKLINE MEDICAL ASSISTANT GRADS ARE WORKING

• Hospitals and clinics
• Urgent care facilities
• Nursing homes
• Physicians’ offices
• Rehabilitation facilities

CAREER OUTLOOK

Medical Assistants are in demand for their versatile skill set. According to O*NETOnLine, job growth for medical assistants in Arizona is expected to increase 46 percent through 2026—much higher than the national average of 23 percent. In New Mexico, the rate is on par with the national average.¹

CURRICULUM OVERVIEW
Medical Assistant Diploma

27.5 CREDITS – 646 CONTACT HOURS – 34 WEEKS

The Medical Assistant Program provides the necessary training for entry-level positions as a medical assistant in a clinic, physician office or urgent care facility. Graduates will be able to use their skills and knowledge in such areas as patient interaction, basic coding and billing, office procedures, use of technology, medical legal documentation and electronic medical records. They will also be able to appropriately assess patient/client situations and intervene within their scope of practice.

Brookline College prepares students in the Medical Assistant diploma program to take certification and/or licensure exams related to their program of study.

Student Learning Outcomes:
Upon completion of the Medical Assistant diploma program, graduates will contribute to the areas of:
• Basic Healthcare Concepts
• Medical Office Administration
• Clinical Medical Assistant Practices
• Pharmacology
• Laboratory Practice
• Electrocardiography
• Demonstrate effective communication skills with patients related to the collection of blood.

Program Concentration Courses
Med A Foundations of Allied Health
Module C Medical Office Administration
MA Module D Clinical Medical Assisting Duties
MA Module E The Medical Laboratory
MA Module F Pharmacology
MA Module G Electrocardiography
MA Module H MA Practicum

BROOKLINE’S COMMITMENT TO STUDENTS
• Great education at a great price: With fixed tuition, you’ll know exactly what your education will cost from start to finish (program locations vary). Brookline can also help you search and apply for a scholarship, grant or loan.
• Faculty dedicated to your success: Since classes are small, your expert instructors can focus on your individual needs to see you through to success.
• Job placement assistance: Brookline’s commitment doesn’t end with graduation: The career services team will help you land your first job, offering assistance with résumé writing, job search and more.

BROOKLINE COLLEGE DIFFERENCE
• 40 years serving our communities
• Small classes
• Personalized service
• Career immersion
