We commit to assisting you with your financial obligations by:

1) Determining what you are able to invest each month towards your education.

2) Assisting you with financing options available.

3) Providing institutional financing when all other sources are not sufficient.

The Brookline Promise exists to encourage students to commit to and pursue their education and career goals.

Finish College with less Debt*

The Brookline Promise Debt Forgiveness program is designed to eliminate all institutional debt from the college and in doing so, making it much easier for you to pay back your Federal Student loans.

See Student Services for additional information.

*Like most students you may incur a student loan from the Federal Government as a means to finance your career college education. You must begin to repay these loans once your grace period has expired, typically within 6 months of graduation. The Brookline College Promise Debt Forgiveness program is designed to eliminate all institutional debt from the college and in doing so, making it much easier for you to pay back your Federal Student loans.
Our GED scholarship program can help you work toward the career you want!

If you’ve earned your GED, you understand the value of education and how it can change your life.

At Brookline College, we want to help you go further in your education and get started on your ideal career path. Our Bridge to Success Scholarship program is designed especially for students who have earned a GED and are ready to pursue a diploma or degree at Brookline College.

A maximum of 20 students will be awarded the Bridge to Success Scholarship at each campus for each start date. All you have to do to apply is complete an application for admission, provide evidence of your GED completion, and submit an essay on how your future will change by earning this career-changing scholarship.
